MOTORCYCLE EVENTS GOOD CURTAIN RAISER

Races at Fair Grounds May 29
Will Prove of Great Interest
to Speedway Comers.

Among the many events that motorcyclists are looking forward to at this time is the splendid race program which will be staged at the State Fair Grounds Indianapolis the day before the great automobile races at the Indianapolis Motor Speedway.

A fine and varied program of events has been arranged for the motorcycle races, and it is believed that many automobile enthusiasts who will gather in Indianapolis for the Memorial day Speedway event, will go to the Fair Grounds May 29 to see the motorcycle races.

OTHER COMING EVENTS.

Among the other summer events of particular interest to motorcyclists is the F. A. M. convention at Denver, July 25-26. A number of tours are being arranged to start from various points throughout the middle West and West, and already cars have been chartered from some of the Eastern cities to accommodate those who will attend the convention.

The Ohio state convention is also attracting the attention of motorcyclists at this time. The convention will be held June 21 at Cleveland, and on account of the great distance to the Mile-High City, it is expected that a large number of riders will attend the Ohio convention who may not be able to go to the national meet.

Has "Dark Horse" at Track.
