Firm Invites All
 Its Product to Ins
 After Speedway

The popularity of the event which will be held at Motor Speedway, May 1-3, is emphasized by the fact that Haynes dealers who have accepted an invitation to inspect the Haynes cars at Kokomo, Ind., either en route to the Hoosier event or returning from the Hoosier event.

"We fully expect to have a large number of our dealers late in May when they are here for the Hoosier event," writes George H. Strout, general manager of the Haynes organization. "More than 70 per cent of our dealers have already expressed a desire to become better acquainted with the organization, and we have received a very favorable response to our invitation."

"Every effort will be made to give a right hearty welcome to the majority of whom will be accompanied by a Haynes car. Kokomo at the close of the event."

"Kokomo is but fifty miles from Indianapolis with good roads and a pleasant two-day stay."

"Elwood Haynes, president of the Haynes Automobile Company of America, will greet the visitors and will give a brief trip around the plant. Brief trips to the surrounding country and to the Hoosier race track will be indulged in by the visitors."

New York Police Report
Save 50 Per

An interesting document showing the economy of the automobile as compared with the horse-drawn vehicle is in the police department of New York City. Recently made for the use of the patrol wagons, not only is the method of transporting and accomplishing other work with the automobile, but each showed of more than twice its cost.
