Will Drive at Fair Grounds Today.

CHARLES SOULES.

Charles Soules is one of the country's
greatest auto speed maniacs, who will
perform at the Fair Grounds this after-
noon. He will race in his Stearns car
(the "Red Devil") against Barney Old-
field, also in a Stearns, and Walter
Christie, who pilots a speed demon of his

own-creation called the "Record
Breaker."

The track is in great shape and the
time made yesterday was the best done
this season. The famous drivers declare
the track is one of the best in the coun-
try and they expect to come near to or
equal the world's record in their match
race this afternoon.
