Summary Yesterday's Races

First Race—Schwitzer won five-mile stripped chassis cars in Class 4, 161 to 200 cubic inches piston displacement; time of 5:13.4, he drove Stoddard-Dayton (19). Wright, Stoddard-Dayton (18), second. De Witt, Buick (20), third.

Second Race—Chevrolet, in Buick (34), won the ten miles for stripped chassis cars in Class 2, 201 to 300 cubic inches piston displacement; time, 8:55.4. Strang, in Buick (32), second. Burman, in Buick (33), third.

Third Race—Borque, in Knox (3), won the five miles for stripped chassis cars in Class 2, 301 to 400 piston displacement; time, 4:45.5. Burman, in Buick (35), won second, and Chevrolet, in Buick (37), third.

Fourth Race—Harroun, in Marmen (15) won the ten-mile free-for-all in time of 8:22.4. Lynch, in Jackson (51), second, and Atken, in National (7), third.

Exhibition by Barney Oldfield, in which the world's circular track record for one mile was broken. Oldfield's time in his Benz was :43.1. Webb Jay formerly held the record at :48.2.

Fifth Race—Burman, in Buick (35) won the 250-mile race for cars of 301 to 450 cubic inches piston displacement, in time of 4:33:37.4. Clemens, in Stoddard-Dayton (61), second, and Merz, in National (7), third.

Bales at Bluffton.

(Special to The Indianapolis News.)

BLUFFTON, Ind., August 20.—Curt Bales, of Carmel, has reported here and will take the place of pitcher Mullinix, now in the hospital at Toledo with incipient appendicitis.

first round, but Borque had a winning margin at the finish.

Borque was twenty-two years old, was twenty-two years old, unmarried and lived where the Knox factory bodies were sent to care of George Cran-pany. The entries have been canceled, the company will racing game altogether.

Death Only Un-

Death was the only at the opening of. Although at the time was instantly known serious had happened before the crowd gathered two men had been the spectators remained of the program enthusiastic throng lost. The double fatality of one of the best known race drivers in the country was the only the opening of the b

While many saw car swerve from the able to tell the cause. That secret before of the catastrophe the course near the say that both men at the same instant swerved from the. It is believed the wheels caused the clan to turn and
