

Sumner, Garfield, and the
of putting the same in
wires. Michaelson is
making carbon dioxide
material.

The boys will be in the basement this
year to allow greater room for the
"boss" likes to be milked by a metal
electric hand.

Waverley was born Scotland
his father James Baxter a well
known stocker of A. Woods and his
young people in the night times of com
pulsion. When the stake was overturned
a heavy box of sticks carried as express
matter for upon his head causing it
causing instant death.

especially in the area in fact so
extraordinary that few out of his
month. He did not know it at the time
but his own red is less than when he
but for his teeth and did not find them
He looked for them at the scene of
the accident but did not find them and
then he did the next best thing, he ad-
vertised for them.

Waverley Plant to Be Operated by New Company.
