**Bloomington Dopsters Think Chicago Can Not Win by Three Touchdowns.**

BLOOMINGTON, Ind., Oct. 17.—The Indiana University football team went to work behind closed gates this afternoon. With the old men back in the game and the favorable impression the new players are making the followers of the crimson eleven think that the result of the Chicago game depends on the practice in the next ten days.

Among the automobiles that will be entered in the automobile racing meet at the State Fair grounds Saturday afternoon for the benefit of the family of the late Patrolman Charles J. Russell will be the 100-horse-power Premier racing car. The big car, which is one of the fastest in the country, will be driven by A. C. Webb, who drove the car a mile in 58 1/4 seconds at Detroit some time ago. It was built by the Premier Motor Manufacturing Company of this city for the Vanderbilt Cup race in 1905, but, because of a slight technicality, failed to qualify.
