

WOMEN WILL DRIVE IN MUDLAVIA ENDURANCE RUN

FOUR ENTERED IN TWO-DAY CONTEST TO START SATURDAY.

TWENTY-FIVE CARS EXPECTED

[By Carbureter.]

The remarkable driving of Mrs. Kenneth R. Otis, of Cleveland, from Pittsburgh to Upper Sandusky, O., carrying the courier who is bearing the message of President Taft to the president of the Alaska-Yukon exhibition, has attracted a great deal of attention to women drivers. The local automobile run to Mudlavia next Saturday will bring out four Indianapolis daughters who are no mean drivers, and who are probably the best known pilots of their sex in the city and state. Miss Catherine Fertig, who will drive her big Premier touring car, has won several races in and about Indianapolis, and is considered one of the most daring as well as expert drivers in the west. Miss Elizabeth Love, while yet in her teens, won quite a reputation in the late two-day French Lick reliability contest. In spite of the fact that the roads between French Lick and Indianapolis are the most hilly and roughest in the state, Miss Love came through with a perfect score to her credit.

Mrs. Frank Schussler has also entered her Premier Clubman in the run, and will go after the prize at Mudlavia. Although not quite so well known in local motordom, Mrs. Schussler is an expert driver, and is sure to be heard from in

Miss Sedwick, the seventeen-year-old daughter of Frank Sedwick, a well-known driver, will drive her father's car in the run. This will be Miss Sedwick's first attempt at driving in a competitive event, but as she has a plentiful supply of grit, it is freely predicted by her many friends that she will be well to the front at the finish.

The start will be made at University square at 7 o'clock Saturday morning, and twenty-five cars, containing 140 passengers, are expected to be in line. The run to Mudlavia springs, five miles beyond Attica, through Crawfordsville, New Richmond and Newtown, is 86 1/2 miles, and the return trip the next day, by way of Lafayette, Frankfort and Lebanon, is 104 3/10 miles. The returning tourists will leave Mudlavia at 7:30 o'clock Sunday morning and expect to reach Indianapolis by 2:30 p. m.
