## WONDERFUL MILE OF JOCUND.

TWO-YEAR-OLD COVERS THE DIS-TANCE IN 1:38 2-5.

Runs for the First Time in John A. Drake's Colors and Lands the Second Event -W. C. Whitney's Leonora Loring Takes Flight Stakes-Four Favorites Succeed.

The bright feature of the racing at Sheepshead Bay yesterday was the phe-nomenal mile run by the two-year-old colt Jocund, by Mirthful-Flower Dellis, who overed that distance in the second event, for all ages, in 1:38 2-5, carrying 84 pounds. Last week The Minute Man, also a two-yearold, beat the great McChesney in a mile race hanging up 1:38 4-5 with 92 pounds on his back. Jocund was recently sold by T. Hitchcock Jr., to John A. Drake for \$12,500 with the stipulation that if he won his first race in Mr. Drake's colors, Mr. Hitchcock would receive \$2,500 additional, so that the actual price paid for the little son of Mirthful was \$15,000. Jocund was the hottest kind of a favorite in yesterday's race, Mr. Drake and the West erners plunging at the prevailing odds, to 5. John W. Schorr's Moharib was also well fancied at 13 to 5, with O. L. Richards's Race King, who gave weight to the others, backed at 4 to 1. A. Brennan got Joeund away from the post like a flash and was never headed. The Mirthful colt ran the first furlong in 11 3-5 seconds, the quarter in 0.23, the three furlongs in 0.34 3-5, the half in 0:46 2-5, the five-eighths in 0:58 3-5, and the three-quarters in 1:11 3-5. Frank T. Clark, who was in the timer's stand, said that he had never recorded such figures before. Jocund was eased up a bit at the end and won by three lengths from Moharib, who passed Race King in the stretch and beat him a length and a half.

W. C. Whitney's swift-footed filly Leonora Loring, odds-on favorite, took the Flight Stakes for two-year-olds and upward at seven furlongs, Futurity course. She led from the first furlong, but Redfern, who saved a lot of ground by "skinning the rail" at the elbow in the track, had to ride her out at the finish to beat E. R. Thomas's Young Henry, 8 to 1. Shot Gun, 4 to 1, was a poor third. The time, 1:25 1-5, was a fifth of a second

behind the track record.

John E. Madden's much talked of Plaudit colt, Adbell, a 2 to 1 favorite, won the third race, a handicap for two-year-olds, at six furlongs on the main track. He took up 117 pounds and made concessions to all but J. B. Haggin's Turquoise Blue, who ran second four lengths back and a short head before A. L. Aste's Luxembourg, a 15 to 1 shot. The time was 1:13 2-5. Revane whirled at the post and was left. Adbell stepped on a stone and went back to his stable very lame, though not seriously injured.

J. B. Haggin's Ostrich, a colt by Order—Plumage, joited the crowd when he took the first race, for maiden two-year-olds at five and a half furlongs, Futurity course. He was a 50 to 1 shot, practically unplayed, and won in a drive by two lengths from the Mexican Stable's Eagle, 6 to 1, who managed to beat the Oneck Stable's Rob Roy, 5 to 1, by a head.

Father Bill Daly's Himself was the favorite race, a handicap for two-year-olds, at six

head.

Father Bill Daly's Himself was the favorite in the fifth event, a handicap at a mile and a quarter, but he wound up next to last after running prominently for a mile. Redfern got Carbuncle, 5 to 1, home first in a drive by three parts of a length over Lord Badge, 16 to 5, with Gold Bell, 10 to 1, taking third money. The time was 2:07 4-5.

Hicks, the colored Jockey, put up a grand ride on Conundrum in the last event at a mile and a sixteenth on the turf. He was the choice at 16 to 5 and only got up in the last jump, beating T. D. Sullivan's Ernest Parham, who made all of the running, by a nose, in 1:49. Tribes Hill was third, four lengths behind. Redfern rode two winners again, and four favorites made the layers squirm.

## M'CARREN OUT OF RACING.

## Senator Will Sell His Stable to Devote

yesterday that he had decided to sell his racing stable and would retire from the turf, so far as ownership is concerned, but would The announcement caused something of a the story was soon in circulation that the Senator had concluded to get out of the game, because of a decision of the judges to August Belmont's Beldame over the McCarrenfilly, Ocean Tide, by a head. But nothing could have been further from the truth.

"I am selling my horses solely because I wish to devote my time to private business wentures and to politics. A facing stable requires a great deal of time, which I cannot give it. It is absurd to say that I do not abide by the decision in the Great Filly

more attention to my private analis. Instalis all."

It was said at the track that the defeat of Ocean Tide in the race in question made a difference of \$100,000 to Senator McCarren, whose horses this season, by the way, have not been generally successful. The McCarren stable will be put under the hammer to-morrow, when Potente, Mackey Dwyer, Ocean Tide, Seymour, Brooklyn and two yearlings will be sold. Trainer Frank Brown will, therefore, be compelled to look for another employer. Several years ago Senator McCarren sold his horses in a similar manner. He has been a heavy bettor, according to racetrack rumors, and has been more or less successful at times. His departure from the turf will be generally regretted.

FLEISCHMANN'S HORSES SOLD. Tom Welsh Pays \$9,600 for Hurstbourne

Sixth Race—Russet Handicap; for three-year-olds and upward; one mile and a half on turf: The Picket... 115 | Yellow Tall... 104 Saughawaga... 110 | Sheriff Bell... 90

With a String, for W. B. Leeds. Julius Fleischmann's entire stable of race horses was sold at auction at Sheepshea Bay yesterday, ten head bringing \$29,175. Thomas Welsh, Mr. Fleischmann's former trainer, paid the top price, \$9,600, for the three-year-old colt Hurstbourne, in whon he originally had a fourth interest. Welsi has allowed his new employer, W. B. Leeds, a certain length of time to buy the colt from him, and if the Rock Island millionaire de-clines to take him, Hurstbourne may be sold to some other rich owner. E. R. Thomas offered Welsh \$12,000 for the colt directly offered Welsh \$12,000 for the colt directly after the sale, but the proposition was turned down. Frank Farrell paid \$3,500 for the two-year-old Monadnock and refused an increase of \$500 over this price an hour later. For colts that had palpably bad legs, the two-year-olds Long Shot and Hello brought high prices, \$5,100 and \$2,600 respectively. It was said that Long Shot had a bowed tendon. Some of Frank Farrell's horses were sold together with the Hurricana yearlings bred by Sanford & Sons. The best prices were as follows:

PITTSBURG, 3: BROOKLYN, 2.

PITTSBURG, Sept. 10.—Pittsburg won today's game in the ninth inning. Jones
pitched a superb game and up to the last
inning but four hits had been made off his
delivery. When Pittsburg's half of the ninth
opened, the score was a tie. A terrible storm
was approaching and the wind blew a perfect
gale, although no rain fell. Clarke led off
with a hit which landed him on third. Doyle
and all of the other players tried to delay
the game and asked Johnson to call it. The
latter refused. Leach cracked the first ball
that was pitched and Clarke came home with

first in the summary Billy Buck landed for his owner, E. E. Smathers, the neat sum of \$6,500.

Billy Buck was regarded before the race as the most likely winner, and this opinion was still held by a majority of the experts after the first heat, in which Walnut Hall almost succeeded in getting in first. So close was the finish that few in the grand stand could determine the winner. The judges announced that Buck had got to the wire first. All three heats were well contested, though Buck was not quite sent to his record of 2:07%. This was the last race on the programme and it made an exciting finish to a good day's sport.

In the other races of the day, as in the Charter Oak, the favorites won. Belle Kuser was prevented from making it three straight in the 2:12 trot by dropping the second heat to Primrose because of a brief break. After permitting Trilby Direct to beat him out in the first heat Locanda went in and took three heats without serious opposition in the 2:08 pace.

There was an attendance to-day of about 10,000 persons, although the weather was cloudy and threatening.

is found in the great hit they've

killed is due largely to the fact that Oldfield did not for an instant lose his presence of mind, but, after setting the steering wheel, saved himself by falling backward on the flat of the car. The fact that the tire burst in the seventh mile indicates that it had been much worn by previous races and needed replacing by a new one before Oldfield started in the fatal contest. It is feared that the car, which is the one used by Percy Owen in the international race in Ireland, cannot be repaired.

At the Zanesville fair, where the racing car of Earl Kiser, the former bicycle racer, known as the "Dayton Dumpling," bolted from the track and killed John Gooden, a workman, and injured six others, besides leaving Kiser with a broken ankle, the cause was again an overworn front tire that burst. In both cases it is reported that the men killed were at the fence.

As a result of the fatalities a rule will probably be made at the Empire track in this city and at others that spectators must keep away from the fence. The racing men also will probably take warning and replace their tires oftener, even if it is very expensive.

When cars are running at the speed now being attained the tires are actually burned through and give out very quickly. How much they wear is indicated by the fact that Barney Oldfield has said that he would not attempt to run for the fifty-mile record because he did not believe there are any tires made that would last the distance at top speed. He said the only way to get that record would be to go half the distance in one car and change to another while they were in motion.

JUNIOR ATHLETES COMPETE. Three Firsts and One Second for New York

Contingent at Milwankee. MILWAURRE, Wis., Sept. 10.- The Amateur Athletic Union's junior track and field cham-pionships were held here to-day in connection with the State Fair and a crowd vari-ously estimated at from ten to fourteen thousand persons saw the contests. On account of a rain storm which lasted from All the runners did their work in mud kneedeep, and in the broad jump Wengierski of the Central Y. M. C. A., sunk to his hips in

the turf and it took two men to pull him out of the hole.

Very few New York athletes took part in the competitions and only three first prizes and one second went East. J. S. Robertson of the Greater New York Irish A. A. won the 220-yard run in 24 4-5 seconds. Robert Bacon of the same club secounted for the half mile in 2 minutes 21 seconds. Harvey Cohen of the Greater New York Irish A. A., secured second medal in the two-mile run, the winner being Ed. McEacheron of the Milwaukee A. C. and the time was 12 minutes 14 4-5 seconds.

Only one New York A. C. man figured in the events, and he was L. E. J. Feurbach. He won in putting the 16-pound shot rather easily with the moderate put of 41 feet 31, inches. Other New York A. C. men were entered, but Director Gianinni would not allow them to compete on account of the bad track, as he thought it would injure their chances in to-morrow's senior events. The weather during the afternoon was fair.
