ing unconscious for an hour in the hospital tents. It is said he is in no immediate danger.

Dawson's Smashup Worst
Dawson's was the most terrible smashup of the day. Pursuing Ray Gilhooley, the Indianapolis boy, on the forty fourth language the contract of the contract

its forty-fourth lap at the rate

100 miles an hour, he saw the Isotta swerve directly across his path. He drove to the inside of the course, skidded into the grass, and when the front wheels of his car struck a

pile of sand he was hurled into the

pile of sand he was hurled into the air. The car made two complete turns in the air and buried Dawson's beneath it. Vere Barnes, Dawson's mechanic, was thrown clear of the

being hurled heavily to the track. Anderson, following Dawson, barely

escaped hitting the prostrate bodies of Gilhooley and his mechanic by

driving off the course. He held his car upright, but broke a driving shaft

in his attempt to regain the course Chance for Dawson

"We are hopeful," was as much as physicians at the Methodist hospital

would say today regarding the con-dition of Dawson, who risked his life

and sacrificed possible laurels in the race to save the life of Gilhooley, ly-ing on the track before him. Joe

Our Leading Athletes

Join with other famous Americans in Praising Tuxedo Tobacco

UR world-famous athletes - the men who triumphed for America at the Olympic Games in Stockholm - are among the thousands who declare that Tuxedo is not only extremely enjoyable, but beneficial.

Famous Americans in every walk of life -doctors, lawyers, actors, singers, public speakers, statesmen, business leaders-smoke and endorse

Tuxedo grew rapidly in public favor without advertising; its natural growth reached the stupendous total of fifty or sixty million packages a year. Not until the past few months has it been possible to keep up with the demand for Tuxedo. Now increased facilities make it possible for every man to smoke this best of tobaccos.

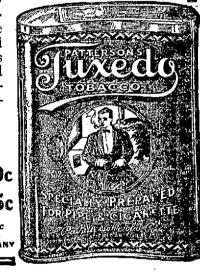

Tuxedo is fine, ripened Burley tobacco of the highest grade - aged until thoroughly mild and

mellow. Then treated by the famous "Tuxedo Process," that removes the last trace of "bite" and develops all the delicious Burley fragrance and flavor. Pure, mild, de-lightful Tuxedo is absolutely non-biting-try it.

The Studebaker light SIX was three years old before the public was able to buy it. We experimented at our own cost.

The Studebaker SIX has the largest proportion of manufactured parts.

They have been so heat treated by strictly scientific methods that they are both lighter and immensely stronger.

Studebaker SIX standards demand that the front axle shall withstand being twistseven times upon itself without a crack

They demand that the rear axle shafts shall stand the same terrific torsion lest.

They demand perfect alignment, perfect lubrication and perfect balance, to the end that friction and vibra-tion shall be eliminated and long life promoted.

But chiefly they demand that not one of the many economies arising from the lightness of the Studebaker SIX shall be purchased at sacrifice of strength or steadi-

POLO CHALLENGERS COME

NEW YORK, June 1 .- The English invaders who hope to wrest the international polo title from America in the games beginning June 9, will hold three practice games this week, the first on Tuesday at Pip-ing Rock. The Britons arrived yesterday on the Carmania. The polo ponies which arrived several days ago show greater speed than any ponies which the Englishmen have brought over in years past.

No gold bricks will be sold to the ailroads when the government runs the roads. That is the cornerstone theory of Socialism. Things are bad but they might be worse.
