National Superiority Was Again Demonstrated in Yesterday's Races.

Two National cars; regular stock models, started in four events, and in **three** of the **four** races finished **first** and **second**.

In the 5 mile handicap "Jap" Clemens, driving a 1907 6-cylinder National from scratch, mowed down a field of eight starters and won the race handily in 5:26 3-5. The time for his last mile was one minute and one second. A 1907 4-cylinder National finished second and a 1906 4-cylinder, fourth.

National Cars Are Unequaled in Speed, Reliability and Endurance.

The 24-hour record (the most coveted of all records) won by the National one year ago, when it covered 1,094³/₁₆ miles, is still unbeaten.

We are now booking orders for 1907 cars. Get your order in early before our allotment is sold.
