Pioneer Bicycle and Automobile Man and Widely Known Philanthropist, Dies.

Arthur C. Newby, age sixty-eight, pioneer bicycle and automobile business man and widely-known philanthropist, died Monday at his home, 4020 North Meridian street, after an illness of several weeks.

Funeral services will be held Wednesday at the residence at 3 p. m., and burial will be in Crown Hill cemetery.

The Rev. W. W. Wiant, pastor of the North M. E. church, will preach the funeral sermon.

Pallbearers will be J. W. Atherton; John W. Suverkrup, Columbus; George Dickson, M. E. Elston, J. W. Feiler, Walter Marmon, Hilton U. Brown, Fred Hoke, Hugh McK. London; Will G. Irwin, Columbus; Newton Todd, Roy W. Brandt, Fred A. Sims, Elmer W. Stout, A. L. Willard and W. G. Wall.

## In World-Famous Group.

Mr. Newby belonged to the world famous Indianapolis group of pioneers in personal transportation who followed mechanical progress from bicycles to automobiles.

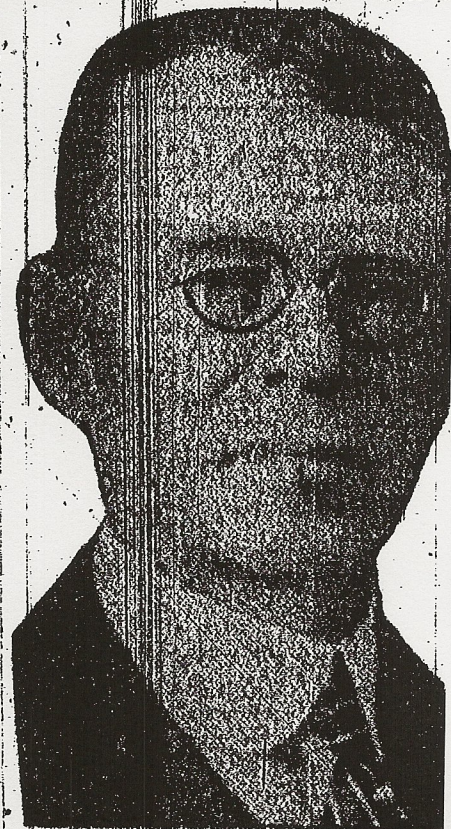

He was closely associated with Carl G. Fisher, James A. Allison and Frank H. Wheeler in being one of the four founders of the Indianapolis motor speedway.

It was in the bicycle and automobile business that Newby built the fortune that later enabled him to be one of the leading philanthropists of Indiana. His gifts were ever generous to enterprises he deemed worth while.

## Gift to Riley Hospital.

One of the largest single gifts was \$100,000 to the James Whitcomb Riley Hospital for Children. Mr. Newby had been one of the original organizers of the Riley Hospital movement in 1917 and continued to

#### Gift to Riley Hospital.

One of the largest single gifts was \$100,000 to the James Whitcomb Riley Hospital for Children. Mr. Newby had been one of the original organizers of the Riley Hospital movement in 1917 and continued to take an active part in this group after it was reorganized following the intervention of the war.

Mr. Newby first gave \$60,000 to the hospital and in April, 1926, a month later, added \$40,000. Preceding this he had been named a director of the hospital board succeeding William C. Bobbs.

The money was given the hospital for the establishment of the Newby Outpatient Clinic in memory of Mr. Newby's parents. More than 10,000 patients have passed through the clinic.

Mr. Newby came to Indianapolis at the opening of the eighties from California, after his family had lived in Kansas City and Monrovia, Ind., where he was born.

#### First Pay \$1.50 a Week

His first employment in Indianapolis was with the Dickson Trade Palace, where, Mr. Newby frequently recalled for his friends, he received \$1.50 a week.

Shortly afterward he changed his employment to Vance Hunter's store, where he remained until 1892, at which time he became office boy, timekeeper and assistant bookkeeper at Nordyke & Marmion Company.

Subsequent promotions brought him to the post of head bookkeeper, which he held for eight years.

In December, 1890, in association with Edward C. Fletcher and E. C. Howe, Mr. Newby established the Indianapolis Stamping Company.

#### In Bicycle Business.

This marked the first interest in the rapidly-growing bicycle industry and the success of the firm attracted Charles E. Test as an additional associate.

## Interior Department Aid Cabinet of "T. R." Victim of Injuries.

LAFAYETTE, Ind., September (A.P.)—Melville W. Miller, age twenty-seven, assistant secretary of department of the interior in cabinet of Theodore Roosevelt, Monday of injuries received a week ago when he fell while playing at Lafayette Country Club.

Pneumonia developed while he recovering from three fractured and other injuries, physicians are causing his death.

The son of John L. Miller, pioneer Indiana attorney, Mr. Miller was lifelong Lafayette resident. He graduated from DePauw University then known as Asbury College, 1878.

#### Received DePauw Medal.

Recently he received a gold medal from DePauw University in honor of the fiftieth anniversary of his graduation.

Mr. Miller was a classmate at DePauw and a lifelong friend of William Vanderventer, justice of the supreme court of the United States. He was a close friend of James Whitcomb Riley.

Mrs. Miller died two months ago. Survivors are three daughters, Thomas H. Beck, Wilton, Conn.; James A. Andrew and Mrs. Ruth Miller, both of Lafayette. Funeral services will be held at the home here.

#### Membership Increased.

In his pastorate the church increased its membership from 900 to 1,600 remodeled and modernized the church auditorium, and parish house and a \$100,000 endowment was subscribed.

Funeral services were held in Springfield.

Survivors are the widow, Mrs. Isabel McPherson, two daughters, the Misses Jean and Helen McPherson, and a son, Neil McPherson, Jr., all of Springfield; a sister, Mrs. John Laurie, of Bowmanville, Ontario, and two brothers, John McPherson, of Des Moines, and David McPherson, Toronto.

### E. E. LEEB. CRASH VICTIM. BURIED IN CROWN HILL

Funeral services for Eugene Edward Leeb, age twenty, victim of an automobile accident, were held Tuesday at 2 p. m. in Moore's funeral home. Burial was in Crown Hill cemetery.

Leeb was the nephew of Mr. and Mrs. Alfred Leeb, 630 East Fifty-sixth street, who had reared the boy since his parents died in 1920. He was born in Cairo, Ill., the son of Oscar and Grace Leeb, attended Indianapolis schools and was graduated from Manual Training High School.

He was a member of the Zion Evangelical church and the Order of DeMolay.

Besides his aunt and uncle, he is survived by a sister, Constance Leeb, and a brother Oscar, both of Indianapolis, and another brother, Alfred, of Chicago.

In December, 1890, in association with Edward C. Fletcher and E. C. Howe, Mr. Newby established the Indianapolis Stamping Company.

#### In Bicycle Business.

This marked the first interest in the rapidly-growing bicycle industry and the success of the firm attracted Charles E. Test as an additional associate.

The success of the firm also attracted buyers and in 1899 the concern was sold to the American Bicycle Company and later was reorganized as the Diamond Chain Company, which has become an Indianapolis industry of wide reputation.

From 1894 to 1899 Mr. Newby was interested in bicycling and was connected with the Hay & Willite Manufacturing Company, making Outing bicycles.

Investigating the kindred business of building automobiles, Mr. Newby was instrumental in the founding of the National Automobile Company. Organization of the speedway firm grew from his association with the automobile industry.

#### Growth of Friendships.

Friendships also grew from this. Mr. Newby, Fisher and Allison spread the fame of Indianapolis-built engines with cruising yachts in Florida's waters, where all three established high reputations as sportsmen in power boating.

His interest and his fortune were at the disposal of numerous civic enterprises.

December 25, 1926, through Newby, Butler University received a gift of \$50,000 to aid in the construction of the school at its present Fairview site. He also presented \$50,000 to Earlham College several years ago.

It was one of the fastest bicycle racing tracks in the country. Track riders of the time were seen at this track including Barney Oldfield, Plugger Bill Martin, Ed Bald, Tom Cooper and many others.

#### Strict Racing Ideas.

Associates with him in his speedway undertaking recall repeated that Mr. Newby was one of the strictest in his ideas of stock car racing.

His insistence that stock car racing should be stock cars was a big factor in the abandonment of factories the stock car race field.

His team of National car racing was known throughout the country as good drivers and sportsmen.

In 1916 he disposed of his National Automobile Company interests to New York corporation and his health forced him into a semi-retirement.

#### Among Zig-Zag Club Founders

In the early nineties Mr. Newby was one of the founders of the Zig-Zag Cycling Club of Indianapolis, one of the representative bicycle clubs the city and state.

He served as secretary of the organization for several years. Many Indianapolis business men were members of that club.

He spent much of his time in Florida and was a member of the Colaba Kay Club where he was widely known.

He checked important sports events on the Florida coast for number of years.

Among Mr. Newby's intimate associates in the automotive manufacturing business were Cole William Guy, Wall and George Dickson, both of Indianapolis.

Two race drivers of national reputation developed by Mr. Newby were Joe Dawson, who won the 1912 1 in a National, and Charlie Merz.

Mr. Newby was unmarried. There are no immediate survivors. Mrs. H. L. Edwards, a cousin, and daughter, Miss Bertha Edwards, made their home with Mr. Newby since 1920, when Mr. Newby's mother

## At Last—Offensive Body Odor Ended!

**Soaps with Tell-Tale Medicine  
Smell No Longer Needed!**

Laboratory tests now show that ordinary soap, with its thick, sluggish lather, will cleanse only the surface of the skin. But body odor is deep-seated, caused by stale perspiration curds. Ordinary soap can't remove these curds!

That's why deep-pore cleansing is needed—and it is a scientific fact that there is only one way to accomplish this. Kirk's Coco Castile, being a 100% pure vegetable oil soap, mixes with the particles of perspiration curds, loosens them, then rinses out completely. Thus it ends body odor in the only effective way—by removing the cause.

Kirk's Coco Castile is stimulating to the skin—leaves no offensive M.S. (medicine smell)—ends body odor the odorless way. A BIG cake, half again larger than the average toilet soap, it is today selling at the lowest price in history. Be sure to ask for Kirk's Castile by name—at your grocer's.

### Aid for Turkey Run Park.

Working in close co-operation with Richard Lieber, then head of the conservation department, he forestalled the danger to the new park by buying a surrounding tract of 233 acres at a cost of \$10,000.

A previous gift of \$5,000 had been made to the project by him. The \$10,000 contribution was to be refunded in part by sale of such timber and gravel that the conservation department felt would aid the park in removal and other bits that were not needed for the natural beauty of the park.

Indianapolis hospitals other than Riley have known the generosity of Mr. Newby. The Robert W. Long Hospital was made the benefactor of \$2,000 for the study of gastro-intestinal diseases by his gift in 1924.

According to associates, his gifts to public institutions did not compare in magnitude to his private charities. He is said to have cared for hundreds of Indianapolis persons in need, and had bought several residences for persons without homes.

He also was personally responsible for the education of several hundred Indiana students.

The only stipulation in his private charities was that the recipients of the gifts were not to reveal the source.

### National Meeting Promoted.
