independent clubs over the state. Many
entries have already been received, al-
though the announcements were printed
only this week. The list will close next
Friday at noon in order that the com-
mittee may arrange the pairings for Sa-

have his hands full. It is thought that
the tournament will require about a
week's competition.

GIBNEY SPEEDWAY VICTIM.

Motorcycle Policeman Hurt While
Practicing for Races.

Albert C. Gibney, the motorcycleman of
the police department, who has caused
much worry to scorching automobilists and
motorcyclists, is laid up temporarily for
repairs. Gibney was trying out the new
speedway track yesterday afternoon, and
he was running at a speed of about a mile
a minute when he lost control of his ma-
chine. The man was thrown a distance
of about two hundred feet, and received
injuries that will keep him away from his
duties for several weeks. Gibney was not
driving his police machine. The cycle he
was using was a racing wheel, which he
intended to enter at the races this after-
noon. At the time of the accident he was
approaching a curve, and he attempted to
roll up his machine without checking his
speed, which is often done by racers. To
pump the oil Gibney was required to re-
lease one of his handle bars. The ma-
chine skidded, and before Gibney could
seize the handle bars with both hands to
steady the machine he was thrown. He
was badly lacerated by rolling on the
gritty surface of the track. The injuries
are exceedingly painful. Bicycleman Wil-
son has been transferred to the motor-
cycle squad at police headquarters. He
and motorcycleman Stone will look after
the "scorchers" during Gibney's absence.

INTEREST IN STRANG CAR.

New York Motorists Expect Much of
New Speed Machine.

NEW YORK, August 14.—Lewis Strang,
the racing automobile driver, will pilot a
car in the free-for-all events at Indiana-
polis next week, which is heralded here
as one of the most remarkable racing
machines ever constructed. Members of
the Automobile Club of America are tak-
ing great interest in this car, which has
eight cylinders, and which is expected to
develop a speed of 130 miles an hour on
the straightaway.

MOTORCYCLISTS AT SMOKER

Boxing Bout Feature of Avondale Heights Entertainment.

Indianapolis and visiting motorcyclists and their friends last night enjoyed a smoker and vaudeville entertainment at Avondale Heights. Boxing bouts were the feature of the program. Referee Frank Barry stopped the six-round bout between Young Donnelly, who claims the state featherweight championship, and Kid Edler, in the fourth round to save the latter from punishment. Jimmy Blackburn, colored, outpointed Young Tholman in a three-round bout. Jimmy Watts, claimant of the state bantamweight title, clearly outpointed the Texas Kid in a four-round bout that was one of the best on the card. Young Cohen and Young Forbes boxed three furious rounds, and Ray Bronson and Jack Dillon gave an interesting three-round exhibition.

Willie Jones Bests Red Lenny.

BALTIMORE, August 14.—Willie Jones, of Brooklyn, was given the decision over Red Lenny, of this city, last night, before the Eureka Athletic Club, at the end of the fifteenth round. Jones won his fight in the last round, as up to this time hon-ors were about even. In the fifteenth round the Brooklynite landed two hard rights to the jaw, which sent Lenny to the canvas.
