ST. LOUIS, 4-0; CHICAGO, 1-2.

CHICAGO, May 30.—Peltz was too much

for Chicago in the first game today, and

St. Louis bunched hits off Scott and won

an easy victory, 4 to 1. Chicago's lone

run resulted from Messenger's triple and

a sacrifice.

Pitcher Young of Chicago was at his

best and Chicago defeated St. Louis in

the afternoon game, 2 to 0. The visitors

received two scattered hits. Young's sup-

port, which was ragged at times, was also

sensational. Corhan being the individual

star in the latter department. A single

han's double, which was followed by a

and pitch, was responsible for the run.

DAVID LEWIS

Harry Knight, the youthful driver of

the Westcott, slaked his own and his

mechanician's lives yesterday in avoiding

C. L. Anderson, Joe Jagersberger's

mechanician, who lay prostrate on the

track. Jagersberger broke a steering

knuckle on the home stretch and, bound-

ing into the infield, he slid along the

fence, bounded back on the track,

crashed into the Pope-Hartford pits, near

the paddock entrance to the track, and

then ran down the stretch in the center

of the track to the home stretch. An-

derson became confused and started to

jump out of the car and fell under the

wheels. It was his intention to try to

steer the wheels with hands. Knight

was almost on him when he sawed his

Westcott and the car slid sideways,

overturning Lytle's Apperson, and stopped

when it crushed its rear wheels against

a post in the center of the roadway at

the south end of the pits. Knight was

not seriously injured. His mechanician,

John Glover, was more seriously injured.

When Teddy Tetzlaff and Louis Disbrow

came together in a crash on the home

stretch early in the race the Lozier car

was overturned and Dave Lewis, Tet-

zaff's mechanician, was slightly injured,

while Teddy escaped with a severe shak-

ing up.
