MERKEL SENDS STRONG TEAM

Plans to Place Competent Motorcycle Riders in Races.

The Merkel Light Company, Pottstown, Pa., will have a very competent racing team here, which will be headed by the world's cleverest and cleanest amateur rider, Mr. Stanley T. Kellogg, who will show to the racing world for the first time to advantage the wonderful "Flying Merkel" double-cylinder motorcycle. This is the wonderful machine that on its first appearance out of the factory at Point Breeze track, Philadelphia, clipped nine minutes off the twenty-five-mile track record and beat the nearest competitor four minutes. This machine has only been shown once since, which was at the national hill climb in New York, where Mr. Kellogg hurt himself very badly, he having run into motorcyclists who were standing in the road while he was going in record time, and all those spectators who saw the performance of this wonderful machine, both at New York and Philadelphia, expect to see this machine, with Mr. Kellogg in the saddle, break every world's record for from one to twenty-five miles in Indianapolis. The "Flying Merkels" will be entered in large numbers in the national endurance run, one team of seven riders alone coming from Erie, Pa.

for the fight—particularly a place before a bid has been received from a promoter. We would like to know when and where as well as Johnson, but we are not mind leaders. "If Johnson means business," he continued, "he should come here to New York as soon as the bids for the fight are in and he and myself will look over them, and anything that looks reasonably good to us both we will accept."

Jeffries is dealing with Johnson and the public in good faith. He only wants what is fair and reasonable. Any other champion—and Jeffries is the real champion—would have demanded 50 per cent of the gate, or purse, but he is good enough to say that Johnson shall have a loser's end. No, I won't say how much it will be, but it will repay him for training expenses, even—well, even if it does not for the beating he will surely get."

NEW YORK, Aug. 2.—Sailor Burke, the Brooklyn middleweight, battered Fred Lucas of New York into a helpless condition at the Bedford A. C. in Brooklyn tonight. The affair was too one-sided to be called a contest. Burke had Lucas on the floor when the bell rang at the end of the first round, which was cut five seconds short. Two more knockdowns followed in the second and Lucas was tottering on the ropes when the referee stopped the bout.
