Bob Burman Has Unique Mask to Protect Face During Race

"Bob" Burman, traveling at the rate of two and one-half miles a minute through space is not conducive to the best of complexions, so Bob Burman, the world's speed king, has devised this unique mask to protect his face during his thrilling drives in his monster Benz cars. Burman

has traveled faster than any other man ever dared. He holds the world's records for the kilometer, mile and two-mile distances.

Burman, the new speed king, will try to smash all records Monday morning when he will drive in time trials in the mile, two-mile and kilometer.
