## Revised Standing Shows Joe Dawson Finished in Fifth Place.

More glory for the Marmon. Not only did the Marmon, through the great race of Ray Harroun win the 500-mile sweepstakes in the Wasp, but a reversal of the standings of the drivers in the race shows that Joe Dawson finished the race in fifth place, that he had been sent further by the officials than he should have been; that the race was over for Dawson before the accident came to his radiator, which stopped the race for him.

As a result of the revision, based upon a careful checking up of the scoring, Dawson in the Marmon had completed the 200-lap when given the green flag by Starter Wagner as a signal that he had one more lap to go. Wagner should have given the signal of the checkered flag, which meant that the race was over for Dawson.

Dawson pushed Ralph De Palma in a Simplex to sixth place and Merz in a National to seventh, with Turner, driver of the Amplex, to eighth; Belcher in Knox is ninth; Cobe in Jackson, tenth; Anderson in Stutz, eleventh, and Hughes in Mercer, twelfth. The leaders remain the same as first announced, Harroun being first, Mulford in the Lozier, second, and Bruce-Brown in a Fiat, third. The

# SCHLITZER IN BAD BLOW UP

## Hens Get to Hoosier Pitcher in Sixth and Seventh and Win Game.

TOLEDO, O., June 1.—Vic Schlitzer was a power Wednesday until the sixth inning, when the Toledo Mud Hens began a vigorous attack that lasted through two rounds and produced a belated 8 to 3 victory. There was no intimidation of a Schlitzer blow up, for he had gone along in superb fashion, but his fall down came as suddenly as that which befell Link Tuesday morning, and before he could be yanked the battle was over. The Burke tribe went to Columbus to open a three days' series today.

Jim Baskette, who has been the main spring of Toledo's defense of late, pitched a steady game throughout, and, while he was in several bad holes, generally managed to work himself out. Indianapolis played its weakest game of the series in the defense. Mowe's two boots being particularly costly.

Neither side was able to count until the fourth. Each club gathered a tally in this inning. Houser was the run-getter. He singled, advanced on a pass to Getz and came in when Ritter chopped a base hit over second. Hohnhorst went around for Toledo on a two-bagger and a low Mowe hurf on Burns.

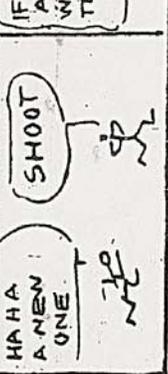

Ritter made the second journey for the Hoosiers. After stopping a pitched ball with his hand he purloined second and kept right on to third on Adams' 'heave into center field. A pinch biff by Williams drove him over.

Hallman was the next and final Burke athlete to make the circuit journey. The trip was made in the seventh. He started with a hit to left and ran all the way to third when Hickman dropped McCarthy's hoist, after Woodruff had filed out. Houser came through with an infield single and Hallman sneaked home.

One run behind in the sixth, Toledo got busy. After Flick was put away, Hickman singled. Hohnhorst hit to Getz, who, in trying to force Hickman at second, threw the ball over Williams' head. Then came Burns with a long three-bagger over Woodruff's dome and two runs scored. Burns came in on Bronkie's out.

In the seventh, Baskette was hit as a starter. Niles hit to Houser, who threw to Mowe at second, but the latter dropped the ball, and more trouble was in store. Hickman walked and Flick followed.

JUST BEFORE HE WALKED THE PLANK HE TURNED TO THE CAPTAIN AND SAID: 'IFA MAN FEELS STRONG ON SUNDAYS HOW DOES HE FEEL ON WEEK DAYS.'

# HOFFMAN WILL JOIN HOOSIERS

## Former Great Outfielder Bought From St. Louis Americans.

The Indianapolis team has bought Hoffman, outfielder, from the St. Americans, according to the statement of W. H. Watkins Thursday morning.

Watkins received word that Watkins has been secured on the man, which will be coming certain. Hoffman will join the team in a few days. He is a great fielder, fast, a wonderful baserunner he should be able to hit in this coming season and has been one of the regulars until this season, when a young man forced him to the bench. Hoffman was with the Browns, Hoffman later with the New York Highlanders and Hoffman from the Browns. Hoffman finally decided that Hoffman would be the better man for the team.

# CLEAR SKIES GREET POLO GAME CROWD

WESTBURY, L. I., June 1.—Clear and bright sunshine this morning is it evident that the English and American polo teams could initiate their match today.

There was no change in the lineup, members of the two teams being announced as follows: Meadowbrook, American; Lawrence, Waterbury, L. I.

Not only did the Marmon, through the great race of Ray Harroun win the 500-mile sweepstakes in the Wasp, but a revision of the standings of the drivers in the race shows that Joe Dawson finished the race in fifth place, that he had been sent further by the officials than he should have been; that the race was over for Dawson before the accident came to his radiator, which stopped the race for him.

As a result of the revision, based upon a careful checking up of the scoring, Dawson in the Marmon had completed the 200-lap when given the green flag by Starter Wagner as a signal that he had one more lap to go. Wagner should have given the signal of the checkered flag, which meant that the race was over for Dawson.

Dawson pushed Ralph De Palma in a Simplex to sixth place and Merz in a National to seventh, with Turner, driver of the Amplex, to eighth; Belcher in Knox is ninth; Cobe in Jackson; tenth; Anderson in Stutz, eleventh, and Hughes in Mercer, twelfth. The leaders remain the same as first announced, Harroun being first, Mulford in the Lozier, second, and Bruce-Brown in a Fiat, third. The committee worked all day Wednesday and the announcement of the revision was made Thursday by Referee Partridge.

In checking up the time it was found that Harroun's time was one minute slower than originally announced, 6:42:08. The men who went over the records are: A. R. Partridge of New York, official referee; C. H. Warner, official timer; Harry Knepfer, assistant official timer; C. W. Sedwick, Indiana representative of the A. A. A.; S. M. Butler, chairman of the contest board of the A. A. A., and C. E. Shuart of the motor speedway.

There was a small exodus of injured drivers and mechanics from the Methodist hospital Thursday. All of the injured are doing nicely and it was said that none is in danger. C. L. Anderson, mechanic on Jaegerburger's Case car, injured in the sensational smashup before the grandstand, left the hospital, as did Robert Evans, mechanic of the Jackson team. Greiner, who sustained a broken leg, was told that he could leave Thursday. Harry Knight, driver for the Westcott car, is recovering rapidly, according to the hospital physicians. Golover, Knight's mechanic, is at the hospital, but will be able to leave soon.

## MAROTT'S WIN TWO FROM SPACKE FIVE

The Marottis won two games from the Spackes, the Navy's...

view on a two-bagger and a four-hurl on Burns.

Ritter made the second journey for the Hoosiers. After stopping a pitched ball with his hand he purloined second and kept right on to third on Adams' beave into center field. A pinch-buff by Williams drove him over.

Hallman was the next and final Burke athlete, to make the circuit journey. The trip was made in the seventh. He started with a hit to left and ran all the way to third when Hickman dropped McCarthy's hold, after Woodruff had filed out. Houser came through with an infield single and Hallman sneaked home.

One run behind in the sixth, Toledo got busy. After Flick was put away Hickman singled. Hohnhorst hit to Getz, who, in trying to force Hickman at second, threw the ball over Williams' head. Then came Burns with a long three-bagger over Woodruff's dome and two runs scored. Burns came in on Bronkie's out.

In the seventh Baskette was hit as a starter. Niles hit to Houser, who threw to Mowe at second, but the latter dropped the ball, and more trouble was in store. Hinchman walked and Flick followed with a single, sending home two. Hickman single scored Hinchman, and when the drive got away from McCarthy, Flick followed.

Merz then appeared on the mound and hostilities ceased. Pitcher Schultz of Toledo has been sold to Zanesville.
